

ABOUT DryLINE® Waders

DryLINE Waders are *the* premium New Zealand made range of neoprene waders. They are machine sealed and fitted with high quality Blundstone Weatherseal boots as standard. They are also the only waders with a lifetime warranty on workmanship and a one year warranty on materials. A full repair and alteration service is also available for your DryLINE Waders.

Xtreme is all we do!

All our neoprene waders are made from Xtreme neoprene, an extra tough exterior, ensuring that your waders will take a beating!

made 2 measure

Our waders come in one size - yours!

You work hard so that you can have recreation time, but being uncomfortable in your off-the-rack waders can dampen what should be a relaxing time. DryLINE are the only company offering our unique Made 2 Measure service ensuring maximum comfort!

LIFETIME WORKMANSHIP WARRANTY:

We offer a lifetime warranty on workmanship and a one year warranty on materials from date of purchase. This warranty is also valid for Trade purchases!

RIP 'N' TEAR WARRANTY:

Let's face it, accidents do happen. Should you manage to put a hole in the neoprene in the first 12 months (good luck!) **we will repair it free of charge.*** Bring it with proof of purchase to your local DryLINE dealer and it will be repaired at our NZ factory. This Warranty does not cover gumboot damage.

* Postage may be additional.
